**3. Correspondence**

- [FY2022 CRCOG Legislative Agenda](#)
- Legislative Priorities from [CCM](#), COST, and Vision Zero Council

**4. Development of FY2023 CRCOG Legislative Agenda**

- [Review FY2023 Suggestions from CRCOG staff](#)
- Discussion and Next Steps

The committee reviewed the FY 2023 suggestions from CRCOG staff in detail and made the following suggestions / updates:

- Staff will add an introduction to the document and refine the Service Sharing section to reflect discussion and focus on achievable goals.
- In the Environmental issues section adding Stormwater as an area of concern as well as well contamination. A captive insurance company could be solution for well water contamination.
- No major changes to Finance and Local Government resources.
- In Housing, add continued support and funding for the Crumbling Foundations issue and Crumbling Foundations Solutions Indemnity Company (CFSIC)
- No major changes in Infrastructure Funding
- In Pedestrian and Traffic Safety, tailor Complete Streets Plan around the Plan of Conservation and Development instead of a separate plan with the state supporting the program and providing funding. CRCOG will follow CTDOT's lead on the multi-use trails issue.
