5. APRA memo and discussion on Municipal use of ARPA funds

Ms. Pauline Yoder asked if there were any questions on the ARPA memo.

Mr. Souza inquired about workforce development and asked if there will be any funding from Capital Workforce Partners (CWP) for the job center, or if it will solely be funded by municipalities. Ms. Yoder stated funding from CWP is a possibility.

Mr. John Elsesser asked if towns that are newer to CRCOG will be included? Ms. Yoder explained that it is the hope that all towns will be included.

Mr. Matt Hart asked if there have been any soft commitments regarding funding made from municipalities yet. Ms. Yoder stated there has been interest expressed, but that is all at this time.

Mr. Hart spoke about stormwater projects and the potential for establishing a regional stormwater utility later with the ARPA grant source, or perhaps in the newer bill and the Infrastructure Investment and Jobs Act (IIJA) grant. Ms. Yoder stated there may be potential with IIJA but is unsure at this time, as the guidelines and notice of funds are not yet available as the implementer has not been passed yet. Discussion ensued.

7. Municipal Information Sharing

about the ezIQC program and what the chances are of getting a funding approval threshold for LOTCIP projects in place as some projects are approved, and others are not. CRCOG will follow up with DAS regarding this issue to seek clarification and see if standard guidelines may be implemented.

Mr. Elsesser inquired as to whether ezIQC bridge and road maintenance projects be accepted for grants? Ms. Yoder stated that it is possible and explained CRCOG is working on getting approval from DAS. Some projects have been approved and others are not. Mr. Elsesser asked if it would be advantageous to see if they will agree to a certain project cost limit. Ms. Yoder explained CRCOG is in the process of getting some sort of standardized approval.

Mr. Souza mentioned the DOT delegation of projects COG's. Perhaps a memo explaining this concept would be helpful to share with MSC. Dr. Wray stated this is part of CRCOG's Draft Legislative Agenda as well. Discussion followed.

8. Adjournment

With no further business, Chairman Souza entertained a motion to adjourn at 12:43pm and the motion carried unanimously.

The next meeting of the Municipal Services Committee is scheduled for Tuesday, February 15, 2022.
