

Municipal Services Committee February 16th, 2021 Meeting: Status Report

Long-Term Regional Recovery Steering Committee (RRSC) *(Kim Bona or Pauline Yoder)*

The Regional Long-Term Recovery Steering Committee is meeting on a monthly basis. In addition, working groups will also be meeting to coordinate recovery needs.

Currently, the Human Services Working Committee also meets on a bi-weekly basis.

<https://crcog.org/ltr/> has initial and basic information regarding the Regional Long-Term Recovery Committee.

CRPC Bid Activities *(Kim Bona)*

February:

- CRPC is currently collecting quantities for Swimming Pool Chemicals/Water Treatment and Bituminous Class 1 and 2 Curb Mix. **Quantities are due tomorrow, February 17th.**
- Fuel bid was issued to vendors on January 27th and will be opened tomorrow, February 17th.

Upcoming Activities:

CRPC will begin collecting quantities for Treated Road Salt in May.

Energy Consortium *(Kim Bona)*

The reverse auction took place on November 19th. MP2 was the lowest supplier with an extremely competitive rate and almost 20% savings. Municipalities may still be able to piggy-back on this auction and should contact Kim Bona.

Cybersecurity *(Erik Snowden)*

The Cyber Security Task Force met on February 11th and meet bi-monthly.

Job Order Contracting *(Kim Bona)*

Contracts have been awarded for General Construction and Road and Bridge Maintenance for all four regions. Please visit <https://crcog.org/eziqc-program/> for vendor information.

HR-Portal *(Kim Bona)*

Register now for the HR Portal Interview Panel Database. The database is now live and can be accessed by logging into nutmeghr.org.

FY'2020-2021 Municipal Salary Survey *(Kim Bona)*

If you have not already completed the FY'2020-2021 Municipal Salary Survey, please do so as soon as possible. Please visit ctmunicipaldata.org to access the salary survey.

Electronic Document Management Services (EDMS) *(Pauline Yoder)*

EDMS has entered into program mode.

Regional Geographic Information System (GIS) *(Erik Snowden)*

- CRCOG IT/GIS now serves on the CT GIS Task Force. This group includes state legislators and is focused on championing and developing state GIS infrastructure and leadership. CRCOG GIS Coordinator is heading a working group that has collected data on the GIS capabilities of state, university, utility and regional entities. This data is being synthesized into a summary document to present to the legislature. Work on the document as well as cost estimates continues after a meeting with staff from the Office of the Governor.
- CRCOG GIS staff and CAI Technologies has completed the FY 2021 annual parcel data collection.
- Installation of CAMA data processors continues.

Solid Waste Management *(Kim Bona or Pauline Yoder)*

DEEP Commissioner Dykes has scheduled a meeting for February 23rd from 1pm-2:30pm to discuss with the COGs and regional waste authorities to “learn more about your interests/goals for working together on a regional basis to address materials management challenges.”

Crumbling Foundations: Requests for Qualifications *(Kim Bona)*

The current RFVQ closed December 31st and the applicants have been evaluated. No companies were selected as qualified vendors as they did not meet the criteria.

Current RFVQ’s are being accepted and will close on March 31st.
