

## CRPC #718 · INVITATION TO BID Treated Road Salt

### Opportunity Q&A Answers

**Will there be a list provide with the participating council members on this bid including estimated tonnages? This is something that has been provided in prior year and I am not finding this within the bid documents.** This information has been released as *Addendum 1* and is available for viewing at [www.crcog.bonfirehub.com](http://www.crcog.bonfirehub.com).

**Are participating bidders required to submit a price for all 4 responses within each region? (Ex: Delivery: In Season, Out of Season, Pick-Up: In Season, Out of Season)** No, it is not required.
