

CRPC 700 Fuel Oil and Diesel Invitation to Bid

Note to Buyers

The following bids contain exceptions, additions, subtractions, and other changes to the CRPC terms and conditions, located in the "RESULTS – ALL SUBMISSIONS" files under optional additional uploads. **Buyers are reminded to review all documentation carefully before committing to a bid.**

- Sprague Operating Resources
- East River Energy, Inc.
- Dime Oil Co. LLC

Two companies swapped pricing columns for Option A (differential) and Option B (alternate fixed price). These columns have been corrected with no further changes.

The following company has not submitted a bid bond or copy of a bid bond as of the opening of this bid and so pricing results have been withheld.
