

**Route 44 Corridor Study, Canton  
Request for Qualifications  
Addendum #1  
December 22, 2022**

**Disadvantaged Business Enterprises (DBE) Requirement**

The following statement under Section 2 on Page 1, paragraph 6 is incorrect. “A Disadvantaged Business Enterprises (DBE) set aside is not required.”

The correct statement: CRCOG anticipates a Disadvantaged Business Enterprises (DBE) set aside of 4-6%, but the final requirement could be higher pending CTDOT’s determination.

**Questions and Answers**

The following question was received related to the Request for Qualifications for the Route 44 Corridor Study, Canton. The deadline for submitting questions was 3:00pm on December 21, 2022. Response from CRCOG are noted in red.

Is it possible to get a copy of the “EJ/LEP memo prepared for the study by CRCOG” referenced in the RFQ?

The EJ/LEP Memo for the study is prepared at the onset of the study and is presented at the first meeting of the study Advisory Committee. With the concurrence from the Advisory Committee, the recommendations from the memo are then incorporated into the Public Involvement Plan for the study. As such, the memo is still a preliminary draft and can’t be shared. You can, however, access CRCOG’s online EJ map that is used for the analysis [here](#) to review the presence of such populations in the study area.
