

2023 LOTCIP Solicitation

Pavement Condition and Needs Assessment Request Form

To assist municipalities intending to apply for 2023 LOTCIP funding with pavement treatment determination and categorization, CRCOG will be offering a voluntary pre-application pavement treatment opinion by a pavement expert pre-vetted by CTDOT, free to our communities! (Please provide attachments as necessary)

Municipality

Contact Person

Roadway Name(s) (please list all roadways on specific project)

Limits of Pavement Improvements

(Optional) Additional Relevant Pavement Information, Including:

- Construction plans, records, and/or anecdotal data indicating existing pavement structure
- Record of previous pavement rehabilitation efforts (nature of treatments/approximate year)
- Investigative pavement and subgrade sampling data (cores, borings, and/or test pits)
- Description of any known surface or subsurface drainage issues in the project area
- Existing traffic data and volumes or description of typical traffic characteristics
