To whom it may concern:

Due to the volatility of the pricing of sodium hypochlorite and calcium hypochlorite we can only guarantee the pricing for 90 days commencing on April 1, 2023.

While we will make every effort to hold the pricing on this bid for the entire year, at this point we can not guarantee that.

We invite anyone with questions to contact us at 860-282-0878 or email Lynn at [lynn@savolpools.com](mailto:lynn@savolpools.com) or Ken at [kcamello@savolpools.com](mailto:kcamello@savolpools.com).

Thank you for the opportunity to serve your swimming pool needs.
