Task-Based Travel Demand Modeling and Data Management
Request for Qualifications
Addendum #1
October 13, 2023

Questions and Answers

The following is a list of questions received related to the Request for Qualifications for the Task-Based Travel Demand Modeling and Data Management. The deadline for submitting questions was 4:00pm on October 10, 2023. Responses from CRCOG are noted in red.

1. **Page Limit for Application Packet.** Consulting staff resumes and examples of previous work *do* count towards the 30-page limit, however, the following *do not*:
   a. Cover Page
   b. Table of Contents
   c. Applicable Forms Requested in RFQ
2. **Responsibility for Completing Requested Forms**
   a. The Primary consultant is responsible for completing all forms (including Exhibits B and C).
   b. The Primary consultant and any subconsultants are all responsible for completing Federal GSA Form 330, Part 2 where staff experience with travel demand modeling, data management and other pertinent areas of expertise are described.
3. **Request for Current Model Documentation**
   a. CRCOG can provide general model documentation on its website by close of business on Monday, October 16, 2023. It will be posted on the RFP/ RFQ page linked **here**.
   b. A one-page summary of the model's main features has been provided **here**.
