Subject: Resolution Authorizing Agreement with All Clear Emergency Management Group

Background: The Capitol Region Medical Reserve Corps applied for funding through the State of Connecticut Health Care Coalition. The application was approved, and funding will be provided to CRCOG through an Agreement with All Clear Emergency Management Group, who is the new fiduciary and administrative agent for the Health Care Coalition.

Benefit to Member Towns/CRCOG: This funding will serve to enhance the capability of our training design team to support the CR-MRC field operations. We will expand our training offerings on long-term care clinical support and BLS/First Aid. This training capacity for CR-MRC volunteers will be an asset to all CRCOG member communities.

Financial/Operational Impact: This award is \$36,583.62.

Project Schedule: The grant funds will be made available upon Agreement signature and the project shall be completed by June 30, 2024.

Recommendation: I would respectfully request and recommend that the Executive Committee act favorably upon this resolution.
