**To:** Policy Board Members

**From:** Cheryl Assis, Director of Public Safety

**CC:** Matthew Hart, CRCOG Executive Director

**Meeting Date:** March 27, 2024

**Subject:** Resolution Authorizing Agreement with All Clear Emergency Management Group

**Background:** The Capitol Region Medical Reserve Corps applied for funding through the State of Connecticut Health Care Coalition. The application was approved, and funding will be provided to CRCOG through an Agreement with All Clear Emergency Management Group, who is the new fiduciary and administrative agent for the Health Care Coalition.

**Benefit to Member Towns/CRCOG:** This funding will serve to enhance the capability of our training design team by providing training sessions for volunteers, and delivery of “Medical Modules” at CR-MRC monthly meetings. It will also provide for logistical support and maintenance of CR-MRC’s Cabana Unit, training of Logistics Team members and design and delivery of an in-person presentation at the 2024 National MRC Summit. This training capacity for CR-MRC volunteers will be an asset to all CRCOG member communities.

**Financial/Operational Impact:** This award is \$8,240.

**Project Schedule:** The grant funds will be made available upon Agreement signature and the project shall be completed by June 30, 2024.
